FREE ACTION, SMART PROTECTION

Hybrid gear is a game-changer for active kids. These multi-functional, cross-seasonal clothes give you the best of both worlds: warmth and water repellence where kids need it and ventilation for comfort. In these versatile outfits, kids can run, jump, and do their thing without feeling weighed down. Hybrid clothing adapts to whatever adventure they're on!

The Vaeltava hybrid jacket is built to keep kids active in changing weather. The waterproof, breathable sections at back, shoulders, and hood offer protection exactly where it's needed, while the flexible side panels allow every move.

Less sweat, less water,
less wind - more freedom to wander.

VAELTAA – BUILT TO EXPLORE

These hybrid outdoor pants combine durable reinforcements with everyday comfort. An elastic waist with drawstring adjustment and soft leg ends give a great fit, while side pockets keep essentials close. The PFAS-free BIONIC-FINISH®ECO treatment repels water and dirt, which makes these pants a relief for laundry-loaded parents.. Tough, comfortable, and good-looking – ready for school, sports, and every adventure in between.

ZIP IN, HEAD OUT

Weather can change in a heartbeat – and that’s exactly why our Zip-in system was created. With just a few simple steps, kids can layer up or down and stay comfortable no matter what the day brings.

Start with a water-resistant outer jacket for reliable protection. When it gets chilly, simply zip in one of our warm mid layers – whether it’s a fleece or an inner jacket – and snap the sleeves in place. In seconds, you’ve built a cozy 3-in-1 jacket that’s ready for wind, drizzle, or colder days.

SYDDI INNER JACKET

LAYER UP LIKE A PRO

This waterproof, windproof, and breathable jacket is ready for all-weather action—and built to work with the Reima Zip-in system for easy layering as the seasons shift. With fully sealed seams, a smooth lining, and durable, dirt-repellent fabric, it's designed for active days in unpredictable weather.

Adjustable details, reflective touches, and a detachable hood make it as practical as it is comfortable. Zip it in, zip it out, and stay ready for anything.
