## TRAIL-READY FOR YOUNG EXPLORERS

These waterproof mid-season hiking shoes are built for big adventures on little feet. From forest trails to near by parks, the rugged toe cap adds durability, while the Rolling Step sole supports natural movement on any terrain.

A waterproof bootie with seam-sealed construction keeps feet dry, and the removable moulded EVA insoles with Happy Fit print help you nail the right size every time. Reflective details boost visibility, and they're 100% vegan—because doing good feels just as great as hiking does.

### COMFORT FOR GROWING FEET

These breathable, lightweight shoes are ready for active kids who need freedom in every step. With easy hook-and-loop fastening and elastic laces, they're easy to adjust for the perfect fit, while the flexible sole supports natural foot movement.

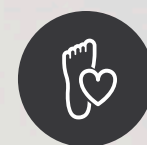

The zero heel drop helps keep a natural stance, and the flexible rubber outsole provides the grip they need to take on any adventure. Designed to support growing feet, these shoes are made with 100% vegan materials, and the removable Happy Fit insoles make it simple to get the right size every time.

## FREEDOM TO MOVE, COMFORT TO LAST

Slip into easy comfort with these pull-on sneakers featuring hook-and-loop closure for a fuss-free fit. Designed to support natural foot growth, they've got a wide toe box, zero heel drop, and a super-flexible sole that lets feet move just the way they should.

The grippy rubber outsole and toe bumper add extra protection for active days, while removable Happy Fit insoles help you find the right size with ease. Made with recycled materials, no intentionally added PFAS and PVC-free, and 100% vegan—because healthy feet and a happy planet go hand in hand.
