ADVENTURE-PROOF FROM HEAD TO TOE

Built for snowball fights and sledding sprees! This waterproof winter overall keeps kids warm, dry, and free to move. With sealed seams, soft lining, and a tough bottom, it laughs in the face of slush. Adjustable hood, cuffs, and leg ends mean a snug fit that grows with every adventure.

Crafted with bluesign® approved lining and insulation, it meets high standards for safety and quality — so every snowy day feels good, inside and out.

Adjustable leg ends with wedge and detachable, adjustable and durable silicone foot loops

Smooth lining and waist adjustment inside

LONG-LASTING SNOW-HOW

Reima ski wear is designed with durability in mind - because durable is sustainable! All our gear comes with plenty of recycled content. The designs boast all the clever details kids need on the slopes, yet most styles are perfectly wearable in urban surroundings, too. While working to save the winters to come, let's make the most of this winter's snow by letting our kids enjoy all the fabulous fun they can have in it!

LAYER UP, RIDE ON

The secret to staying warm all day? Layers that work as hard as you do. Start with a soft base layer that keeps you dry and comfy from the first lift up. Add a cozy fleece midlayer for extra warmth when the wind picks up.

Top it off with your waterproof ski jacket and pants, and you're ready for anything the mountain throws at you — snow, wind, or wipeouts. Nail your 1-2-3 layers, and you'll stay warm, dry, and stoked till the very last run.

BORN TO SHRED

Built for powder days, park laps, and everything in between. This waterproof jacket and pants combo is made to move — with all seams sealed, durable fabric, and reinforcements that handle every crash and carve. The snow lock connects jacket and pants for total protection, while adjustable cuffs, hems, and suspenders keep the fit just right from morning to last run.

Smart details like a ski pass pocket, thumbhole cuffs, and a helmet-ready hood make gearing up fast and easy. Warm, dry, and tough — this is outerwear that keeps up with every jump, spin, and wipeout.

STAY WARM, PLAY LONG

Cold days are no match for the perfect 1-2-3 combo. Start with a base layer that keeps you dry, add a fleece midlayer for cozy warmth, and top it off with a waterproof outer layer to block wind and snow.

And don't forget good warm, breathable socks — they keep toes toasty and dry, no matter how long the adventure lasts. Whether you're walking to school, building snow forts, or gliding on the ice, smart layering keeps the fun going all day — warm, comfy, and ready for anything.
