NEW THIS SEASON

IN GOOD HANDS

Made with the same performance-driven fabrics and ergonomic thinking you expect from BUFF®, our gloves are built for warmth, grip, and dexterity—on the trail, the run, or out in the everyday.

INTRODUCING BUFF® GLOVES

Made with the same performance-driven fabrics and ergonomic thinking you expect from BUFF®.

THERMONET®

Stay warm, dry, and connected on cold-weather runs. Made with ultra-stretch, water-repellent fabric for flexible comfort and full motion range. A soft fleece thumb wipe adds utility, while touchscreen fingertips and a secure snap closure ensure hassle-free performance even in freezing conditions.

DRYFLX®

Built for high-intensity runs in the cold, featuring quick-dry, ultra-stretch fabric for a second-skin fit and total freedom of movement. Silicone palm grips provide control, touchscreen fingertips keep you connected, and reflective details boost visibility. A snap closure keeps gloves paired when not in use.

TECH FLEECE

PERFORMANCE FLEECE

Crafted with **POLARTEC®** performance fleece for reliable active warmth. Silicone grip on palms and fingers ensures control on poles or gear, and touchscreen fingertips keep you connected. Elastic wrists offer a secure fit, while the pairing clip adds everyday convenience.
