

An aerial photograph of a skier descending a snowy mountain slope. The skier is positioned in the lower right quadrant of the frame, leaving a trail of snow behind them. The slope is covered in snow with visible tracks and some darker patches. The overall color palette is dominated by shades of blue and white, with a dark blue gradient overlay on the left side where the text is located.

A male and a female runner are captured in motion on a track. The male runner on the left is wearing a blue long-sleeved shirt, black shorts, white socks, and a black cap. The female runner on the right is wearing a light blue long-sleeved shirt, black leggings, white socks, and a white headband. They are running past a vibrant, abstract mural with shades of blue, purple, pink, and green. The word "Running" is overlaid in white text across the center of the image.
