Thanks to the laminated face fabric (waterproof fabric) and the PFC FREE DWR treatment, the jacket can withstand some rain and snow. The adjustable (velcro) insulated hood adds extra protection against the elements, and the internal cuff lining ensure wind and water are not coming in. Your essentials are secured in the two zippered hand pockets and inside zippered pocket, while the adjustable waistband allows you to create your desired silhouette. Last but not least, both the face fabric & the insulation are sourced from recycled polyester.
