Kids will be kids

reima

# Welcome to Reima spring-summer '24

## KIDS WILL BE KIDS

Reima has always been about championing an active childhood. That childhood is lived all over Finland – from the biggest cities to the thousand lakes to the hills of Lapland.

When kids go outside, they know what to do. Reima opens the door for them with gear that keeps them protected while letting them enjoy the elements – rain, wind, snow and sun. The best kids clothes are ones that kids don't even realize they're wearing.

But a Finnish childhood is about more than being outside. It's also about letting every child be whoever they really are, not what we think they should be. Now – more than ever – we want to give parents (and kids) reasons to believe in what we stand for. What better way to do that than to let kids be kids.

## INGENIOUSLY FINNISH

The 80-year-old Reima design heritage comes through loud and clear in our SS'24 collection. Get ready to be dazzled!

## MEET OUR NEW BLUESIGN® PRODUCTS

For winter '23, we introduced nine brilliant products that fulfill the bluesign® criteria. Now we're ready with six more.

## ADVENTURE OUTDOORS

Weightless jackets and versatile pants for kids to go anywhere in. Packable, too – because summer is all about light.

## PARTY ON THE BEACH

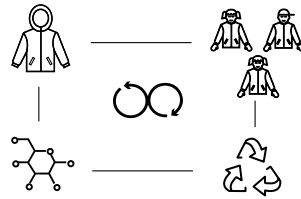

The fun is where the sun is! That's why our SunProof gear lets kids stay out and play out for up to 50 times longer.

## THE SUSTAINABILITY JUGGLE

We are committed to reducing our carbon footprint in line with the Paris Agreement.

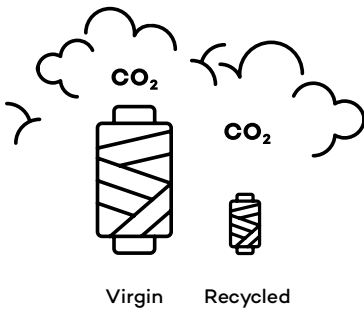

Monomaterial styles can easily be recycled. This is the future.

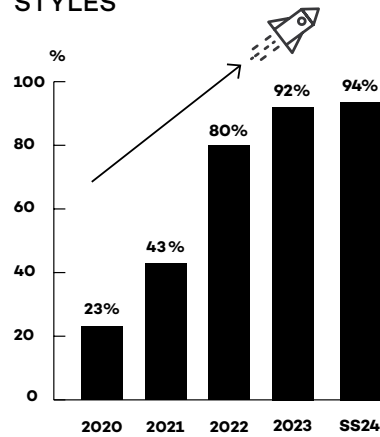

Winter '23 saw our first nine bluesign® products. Now we launch six more.

Design inspiration

# Childhood summers through the decades

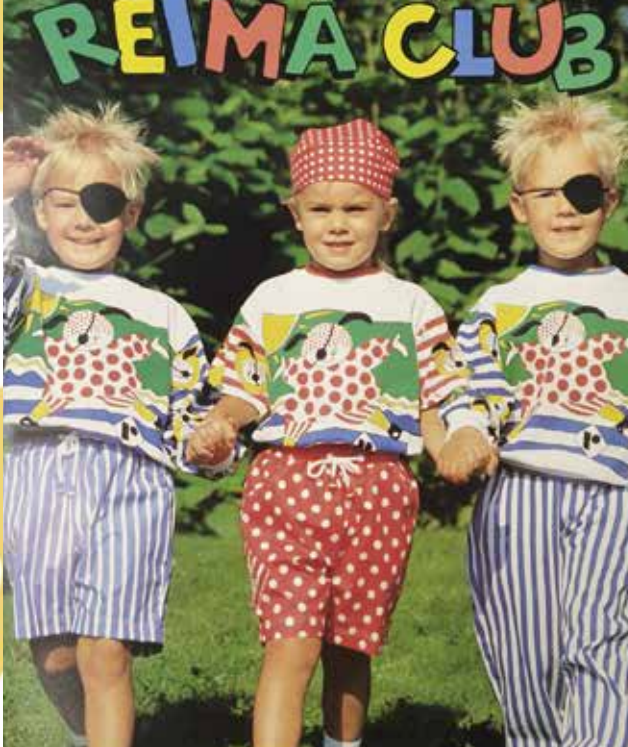

## **KIDS WILL ALWAYS BE KIDS**

Remember the endless days of sunshine, running in sand and grass? Swinging as high as the sky or setting your tiny leaf boats off to float on the pond.

The energy and freedom of kids has been Reima's inspiration since 1944. Kids are a force of nature, and we believe they have the right to be so. We've always cherished their endless appetite for fun and turned it into colors and prints that feed their imagination - after all, the kid we once were can still be found inside each one of us. Long live that kid.

# Spring days

Reima rainwear protects against rain and dirt with a waterproof surface and watertight, welded seams. What's more, the fabric is 70% recycled!

Waterproof softshell items and highly water-repellent jackets are just right for fickle spring weather.

Soft, warm layers underneath the outerwear keep kids warm in early spring. Toward summer, layer items become the outerwear for cool mornings and evenings.

Reimatec all-weather outerwear is waterproof when it rains and breathable when it shines, so it lets kids meet the spring comfortably and with confidence.

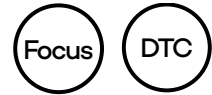

Reima has the most lovable, softest Moomin layers for the small ones. Cute alert!

A small change can have a big effect on the entire outfit. Choose toppings to your taste from the weatherproof Reima spring accessories range.

©Moomin Characters™

## **For the smallest small of all**

Reima and the Moomins have a lot in common. Friends and family are most important to us, and like all true Finns, we promote courage, love, tolerance, and kids' freedom to learn by exploring. The Moomins know how to take it easy and enjoy their beautiful valley, and life by the sea, too, come rain or shine.

The wonderful art of author and graphic artist Tove Jansson comes to life in the prints of our Moomin range.

“A cloudy day at the beach  
is still a day at the beach!”

# Beach play

Active kids need active clothes. Our Cooling collection works hard to keep them comfortable as they run, jump, score and more.

---

Let the sun shine, not burn! Reima SunProof products come with a high UV cut that gives kids plenty of play time in the sun.

---

Sun strokes have happened in Finland, too. That's why we came up with Reima sun accessories that help kids enjoy their summer fun safely.
