# Active kids are happy kids

Reima is all about helping kids thrive through an active lifestyle. We want to create a world where every child can explore, discover, and truly flourish.

Our mission has been the same since our beginning in 1944: to inspire families worldwide to experience the benefits of being outside. We're here to spark adventure, togetherness, and well-being, ensuring that every outing becomes a fun, shared moment.

Reima designs are bursting with vibrant prints and patterns, celebrating active outdoor life as a boundless playground for joy and growth.

With top-notch Reima gear, you can leave worries about the weather behind, and your kids can confidently connect with nature.

Let's step outside, breathe in the fresh air, and create a legacy of happy, active kids who grow into healthy adults!

# Season's highlights SS'25

## The perfect spring jacket

The spring may bring showers, but kids in Reimatec jackets won't be needing raincoats. Waterproof Reimatec keeps them dry and happy from rain to sunshine. Match with waterproof pants, or go for a Reimatec outdoor jumpsuit for easy total coverage.

## Free to be free

How nature supports our well-being - being surrounded by clean air, forests, meadows, rivers, and lakes - is widely known. Kids can take a break in green scenery experiencing the comfort of our summer outdoor gear. Without the fear of sunburns and nasty bug bites!

## Light as air

Taking off to some holiday fun calls for airy, lightweight, carefree clothing that's easy to pack along. These cool-feeling clothes are a dream to wear and give kids full freedom of movement. We wish your family an energizing summer vacation!

## More fun in the sun

Kids run on solar power - they could just play in the sun all day. With Reima SunProof clothes and sunglasses, you can rest easy and let them do so. And when the weather becomes too hot to handle, Reima Cooling gear helps them feel better in all activities.

- bluesign® approved main material
- with Responsible Wool Standard certified wool
- the cotton/hemp is organic

# Nature, the biggest fun park on Earth

Summer nature in all its abundance has inspired our Finnish designers. The landscapes, the flora and fauna, and various weather phenomena are all stars of the Reima SS'25 collection.

Bright colors, soft natural motifs, and the play of light and shadow inside the forest spice Reima clothes up, calling kids out to adventure.

Nature inspires kids to endless endeavors: they climb, hang, wade, dig, and explore, making good use of all natural objects around them. Now that's what we call the ultimate amusement park!
