REIMA SPRING-SUMMER 2026 APPAREL COLLECTION

Weatherproofing kids
since 1944

Image from EA25 collection

There are no excuses.

Childhood is a unique time filled with free play and the joy of movement, but it's about much more than just having fun.

All that running, climbing, and getting wild helps build stronger bodies and sounder minds.

In a world facing challenges, Reima leads the way by encouraging kids to get outside. Why? Because science shows that kids will be happier and healthier when they grow up with an active lifestyle. To support this, we develop clothes and footwear that give kids the confidence to explore, fully protected and comfortable.

So, everyone, listen up: kids have the right to feel good, stay safe, and get active outdoors with Reima!

HIGHLIGHT CONCEPT

Trail blazers

More tracks to ride,
more paths to run

No wind is too strong, no rain too hard, and no path too muddy for these trail-blazing pioneers.

Versatile, cross-seasonal Reima clothes and shoes are made for kids who push their boundaries and enjoy the ride as they play, adventure, and exercise.

Image from EA25 collection

Spring-Summer '26 highlights

HIGHLIGHT CONCEPT

Champs camp

More adventures
together

Kids are free to make the most of their summer, learning new skills while exploring nature with new friends.

Reima clothes and shoes offer full freedom of movement, safety, and maximum comfort in all activities, including summer camp and bug-ridden lakeside.

HIGHLIGHT CONCEPT

UV raiders

More waves to ride

Do kids love beaches, pools, and sprinklers? Yes!!

UV protective, comfortable Reima clothes and footwear safeguard kids so they can just throw themselves at the wildest - and wettest - summer fun.

- UV protection factor 50+ is tested according to the standard EN 13758-1 +A1. The product only protects the skin under it. The UV protection may suffer if the product is very tight, or if the fabric is stretched or wet. Also wear & tear, pool chemicals and saltwater may with time impair the protection.
- Protection against UVA and UVB is based on TiO2 that's inside the fibers
- Additional lining for better coverage
- Zipper at front
- Semi-automatic zipper lock to prevent unintentional opening

Material performance

Main material: 6995 SunProof+ jersey GRS
80% polyamide - recycled, 20% elastane
Lining material: 1140 Swimwear mesh lining
84% polyester, 16% elastane

Sustainability

- Contains certified recycled fibers

- The high UV protection is based on a safe finishing treatment
- Soft visor
- UV protection factor 50+ is tested according to the standard EN 13758-1 +A1. The product only protects the skin under it. The UV protection may suffer if the product is very tight, or if the fabric is stretched or wet. Also wear & tear, pool chemicals and saltwater may with time impair the protection.
- Protection against UVA and UVB is based on TiO2 that's inside the fibers
- Lighter style, no lining

Material performance

Main material: 6994 SunProof+ jersey GRS
80% polyamide - recycled, 20% elastane

Sustainability

- Contains certified recycled fibers
