Weatherproofing kids  
since 1944

**SET**

**THEM**

**FREE.**

# Set them free.

At Reima, we believe play is practise for life.  
Wipeouts are wins. Kids have the right to explore,  
be in nature, and simply be kids. Crying is a sign of life.  
So are dirty hands, scraped knees, and the bumps,  
even bruises. Because the future doesn't need  
perfect kids. It needs brave ones.

Today, childhood is scheduled, tracked, and controlled. We meant well but  
as screens have replaced streets and forests, supervision has replaced freedom.  
But kids are less fragile and more capable than you think. So here's our  
invitation: Let's set them free. Set them free to climb, fall, get back up,  
and be loud, wild, curious, bored.

Join us in empowering parents to raise empowered kids  
- in every season, terrain, and temperature.
