DESIGN
FROM
FINLAND

A photograph of a person wearing a green hoodie and a cap, standing in a lush forest. The person is pointing their right hand upwards towards the trees. The forest is filled with green foliage, including ferns and various trees. The scene is brightly lit, suggesting a sunny day. On the left side of the image, there are three red rectangular boxes containing the text 'SET', 'THEM', and 'FREE.' in white, bold, sans-serif font.

SET

THEM

FREE.

Set them free.

At Reima, we believe play is practise for life.
Wipeouts are wins. Kids have the right to explore,
be in nature, and simply be kids. Crying is a sign of life.
So are dirty hands, scraped knees, and the bumps,
even bruises. Because the future doesn't need
perfect kids. It needs brave ones.

Today, childhood is scheduled, tracked, and controlled. We meant well but
as screens have replaced streets and forests, supervision has replaced freedom.
But kids are less fragile and more capable than you think. So here's our invitation:

Let's set them free. Set them free to climb, fall, get back up,
and be loud, wild, curious, bored.

Join us in empowering parents to raise empowered kids
- in every season, terrain, and temperature.
