TYR ZENGLIDE RECOVERY

ZG-100
WHITE
CORE

ZG-544
BLACK/GUM
CORE

FEATURES & BENEFITS

- *17% more support underfoot than other recovery footwear
- *28% more energy return compared to other recovery footwear, reducing the work of muscles and joints during active recovery
- Non-Slip outsole tread design. Meets industry standard (ASTM F2913-24) for slip resistance

*Research conducted by independent research facility Heeluxe. Compared against top selling recovery sandals in the market.
